Support/Maintenance Contract		Annually	
Our Support/Maintenance Contract is an integral part of our software package which enables research and development on our side and has multiple free benefits on the user's side. Our Support/Maintenance Contract entitles you to :			
<ul style="list-style-type: none"> Free telephone, fax and E-mail support for high-speed query analysis. Free upgrades to the latest version of our Add-ins at any time. Free license for your home computer (as long as the office and home machines are not used at the same time). Access to the MBRM Web Service for license administration, support forums, instant quotes, etc. 		30% of list price (after Multiple Purchase Discounts) at time of renewal	<input checked="" type="checkbox"/>
Therefore the support contract will save you TIME and MONEY in both the short and long term. Users must maintain a valid Support/Maintenance Contract in order to use the software.			

Other Services: Source Code · Consultancy · Training · Customization

Multiple Purchase Discounts (when ordered at the same time)			
No. of Machines	Discount	No. of Machines	Discount
5	20 %	30	50 %
